- Integration of **static concepts with current affairs**
- **Time-efficient preparation**, ideal for last-phase revision
- **Improves exam orientation**, confidence, and accuracy

CRASH COURSE – UPSC CSE (PRELIMS) IQRA IAS (POLITY)

The **Indian Polity** segment in the **UPSC Civil Services Examination (CSE)** remains one of the **most consistent and scoring components** of **General Studies Paper I (Prelims)**. It regularly contributes **15-17 questions**, assessing a candidate’s **conceptual clarity of the Constitution, understanding of governance structures, and ability to apply constitutional provisions to real-world situations**. In recent years, UPSC has moved beyond mere article-based questions toward **application-oriented polity**, with strong emphasis on **governance issues, constitutional morality, institutional functioning, and current affairs linkage**.

“Polity is not about memorising Articles; it is about understanding the spirit, structure, and limits of constitutional power — and UPSC rewards those who grasp this balance.”
